

YOUR REAL SUCCESS® is a curriculum developed by a successful survivor of abandonment, abuse, and poverty. Rhonda Sciortino went from foster care to millionaire and has created this program to help others turn their worst adversities into their greatest advantages.

This curriculum has been the subject of focus groups that included thought leaders in the areas of child welfare/foster care, physical and mental health, education, juvenile justice, domestic violence, substance abuse, and human trafficking. It has been delivered to survivors of childhood trauma, trafficking, pregnant and parenting teens, corporate executives and to entrepreneurs.

YOUR REAL SUCCESS® is good for anyone over 16 years of age who wants to find and fulfill the good purpose for his or her life and enjoy the contentedness that accompanies it.
