## "SUCCEED BECAUSE OF WHAT YOU'VE BEEN THROUGH"

Rhonda Sciortino, author of 30 Days To Happiness (featured on Ellen DeGeneres' and Ellen's BE KIND box), used the coping skills from her chaotic childhood to create personal and professional success.

Through her speaking, writing, media appearances, and Live, Love, Survive and Thrive YouTube show and podcast, she shares how others can use the obstacles in their lives as stepping stones to their real success. Rhonda's big, hairy, audacious goal is for everyone to put their love into action.

### GUEST ON

Authored **How To Get To Awesome—101 Ways to Find Your Best Self**, **Successful Survivors—the 8 Character Traits of Survivors and How You Can Attain Them**, **Acts Of Kindness—101 Ways to Make Our World a Better Place**, **Love Is Action—How to Change the World with Love**, and many more.

Founder of Successful Survivors Solutions and the Love Is Action Community Initiative.

Founded two successful companies that protected and defended private, nonprofit child welfare organizations.

Analyzed injuries, allegations, and deaths in foster care and created tragedy avoidance strategies and trainings.
